TRI Raises Awareness and Funding for Non-Profit Community Health Based Nova Salud

Washington, D.C. (Friday, August 16, 2014): TRI raised awareness and funding for Nova Salud, Inc., a non-profit community-based health organization serving the Northern Virginia area, through sponsoring the Open that Closet Door Fashion Show in Washington D.C.

TRI served as a sponsor at the Open that Closet Door Fashion Show featuring Peruvian Fashion Designer and Owner of Ferreyros Couture Company Juan Jose Saenz-Ferreyros. The show presented local individuals living with HIV to raise awareness and fund HIV testing and lesbian, gay, bisexual, and transgender (LGBT) empowerment and education programs. The event raised funds for Nova Salud, which supports the promotion of culturally-competent and language-appropriate HIV/AIDS services and prevention education in Northern Virginia.
