TRI Awarded Best Woman-Owned Business Enterprise CRO+ by GHP Magazine

Bethesda, Maryland (August 20, 2016): We are pleased to announce TRI has been honored with a 2016 International Life Sciences Award for Best Woman-Owned Business Enterprise (WBE) CRO+ by Global Health and Pharma (GHP). This merit-based award recognizes the innovation, dedication, and commitment shown by life sciences professionals and firms across the globe.

GHP is a quarterly magazine that provides news on the latest developments and issues affecting the global healthcare and pharmaceutical industries. The magazine was established to enhance communication networks & collaboration across all themes and disciplines within 3 main categories; Human, Animal and Environmental Health.

The graphic features a green horizontal line that transitions into a stylized ECG (heart rate) line. Below this line, the text 'International Life Sciences Awards' is written in a large, black, sans-serif font. Underneath that, 'Winner 2016' is written in a smaller, black, sans-serif font, with '2016' highlighted in green.
